*Strengthening national reach and enhancing bespoke travel experiences across Canada*

Canadvac Travel Services is pleased to announce the acquisition of Journeys Across Canada, a respected provider of customized travel experiences for FIT/self-drive and escorted group customers. It is known for its strong presence and expertise across key Canadian destinations and Alaska.

This strategic acquisition brings together two organizations with a shared commitment to delivering high-quality, tailor-made travel programs. By combining resources, supplier networks, and regional expertise, Canadvac Travel Services will further expand its ability to serve travel advisors and clients with seamless, coast-to-coast itineraries.

“This acquisition represents an exciting step forward for Canadvac as we continue to grow our footprint across Canada,” said John Simon, President of Canadvac Travel Services. “Journeys Across Canada has built a strong reputation for exceptional service and deep regional knowledge. Together, we are well-positioned to deliver even more comprehensive and creative travel solutions to our partners.”

Journeys Across Canada will continue to operate with continuity in service and relationships, while benefiting from Canadvac’s expanded infrastructure, technology, and product offerings.
